STREAMLINE RESOLUTION is a California based lien management company that specializes in assisting insurance companies, third-party claim administrators, claims examiners/adjusters, and defense law firms in reducing/cutting costs and maximizing savings on all medical liens for workers' compensation claims.

STREAMLINE RESOLUTION was founded by **Irene Zeltser**, who earned her law degree and has years of experience in the field of California Workers' Compensation. Ms. Zeltser and her associates have assisted and empowered many organizations from small employer groups to TPA's, Fortune 500 self-insured companies, and large insurers.

Ms. Zeltser's **legal education, experience** and **negotiating skills** have translated into significant savings for her clients.

Our Services Include:

- **Telephonic Negotiations**
- **WCAB Court Appearances**
- **Appropriate Written Objections**
- **Bill Review**

(i.e. California Fee Schedule, Audits, Duplicate Charges, etc)

All of our services and rates can be customized to meet your specific requirements.

Whether your claims are located in **Northern** or **Southern California**, we are here to fulfill your defense needs.

Trust **STREAMLINE RESOLUTION** to handle your medical lien defense from **A to Z**.

We specialize in “cost control” on all medical liens for workers' compensation claims.
